

Wow! I'm so sorry guys. We didn't have school Monday, and then I actually had to TEACH yesterday, so I am all out of sorts. I know you'll be glad to hear that I'm pretty much back on track and will be able to fill your email box with a bunch of pointless and useless garbage.

Actually, I don't have much to say, and I know we'll be seeing each other all weekend, so I'll keep it short and sweet. Don't forget -- upcoming events:

Friday -- Beer thirty and Girls Night Out to the V-Monologues! Have fun on your own guys! (but save some for us when we get back -- beer, not the dirty movies)
Saturday -- TAILS dance! I'm soooo excited. Is everybody wearing Hawaiian clothes?

Sorry this is boring and uninspired. Such is my life these days. Sigh.

xxoo
