

Reds Place is online! <http://www.reds-place.com> Carole asks that if you have any suggestions or ideas, to email her. Carole -- don't forget about the quote of the week -- has anyone spanked the goat lately? Also, how about a guest book?

It was great to see everyone on Friday, and thanks to Brenna for some yummy Mexicali chicken. Can we get that recipe?

We're going to socialize at Melanie's this Friday -- 1614 East Dresser Road. Come when you can, leave when you must. Jodi wants to spend some "alone time" with Jim -- again, we're not really sure why, but I guess she is married to the man. hee hee. I'm guessing that they'll stop by after their romantic dinner. BYOB, and bring a snack if you feel like it. We'll keep it casual.

A happy belated birthday to Lori and Jack -- nice party Jack! If you guys get a chance, go check out Mindy's studio. It's awesome!! And the tanning spa is soooo cool.

See you guys on Friday!
